The Finance Director has the authority to charge actual cost incurred including time, material, and overhead if a fee does not approximate actual cost incurred.

The Finance Director may establish procedures for evaluation of hardship requests for certain fees, where identified.

All operational permit fees are the minimum due at the time of application and includes the permit and one inspection. Additional fees charged at the standard inspection fee rate for inspection time exceeding 1 hour.

**Fee is for initial inspection and one reinspection per year. Fee for additional reinspections or legal actions by inspector to abate hazards will be charged at the current hourly inspection rate of a fraction thereof. Construction permits shall include initial review and one resubmittal. Additional reviews will be charged at the current hourly rate.
